Accessory uses	See individual zoning district regulations in Article V for setback, height and coverage requirements relating to accessory structures.														

NOTES:

- ¹ On a corner lot, there shall be provided a side yard on the side street equal in depth to the required front yard in said district.
- ² For a single-family dwelling. Density for a two-, three- and four-family and multifamily development is an additional 5,000 square feet per dwelling unit.
- ³ For a single-family dwelling. Minimum lot width for a two-, three- or four-family and multifamily development is 100 feet plus 2.5 feet for each dwelling unit.
- ⁴ Minimum lot width for a single-family dwelling is 50 feet and for a two-, three- and four-family it is 100 feet plus 2.5 feet for each unit over two units.
- ⁵ Subject to criteria in § 128-50. [Note: Site plan approval is not required for a home occupation that constitutes a de minimis use. See § 128-50E.]
- ⁶ New buildings will have the option of conforming to front setback of adjacent buildings.
- ⁷ Requirements vary. See § 128-37 for height limitations in a Mixed Economic Development District.
- ⁸ Minimum lot sizes do not apply to lots created as part of a conservation subdivision or an average density subdivision.
- ⁹ The lesser of four stories or 60 feet in height.
- ¹⁰ The minimum required front yard shall be determined from the center line of the pavement of the street on which the building fronts or from the right-of-way line of the street on which the building fronts, whichever develops the greater front yard. For flag lots, use the "Minimum front yard, from right-of-way" distance.
- ¹¹ For a single-family dwelling. Density for a two-, three- and four-family development is an additional 5,000 square feet per dwelling unit.
- ¹² Each proposed lot shall meet the minimum area and bulk standards as set forth in this schedule, as applicable. For the Rural District and Rural Light Industrial District, the minimum lot size requirement for residential uses shall be the same as that required in the Residential "C" District. In addition, for all Districts, if the site is not served by a public water supply and sewage disposal system, the proposed lot(s) shall be of a size and configuration so as to meet the minimum separation distances and design standards for on-site water supply and/or sewage disposal systems as established by the Albany County Health Department.
- ¹³ The minimum is 28 feet for flag lots. Flag lots are subject to the requirements of § 128-48.
- ¹⁴ Density unit (DU) is equal to one dwelling unit. See also § 128-22.
- ¹⁵ The Planning Board may allow the use of an average density subdivision for a major subdivision.
- ¹⁶ See § 128-67.1 for front yard setbacks from the right-of-way for new buildings in the Delaware Avenue Hamlet Overlay District.
